- \* Monitoring: August 2016
- \* Half evaluation: April 2017
- Final Evaluation: April 2018

#### **RESSOURCES**

**Technicians Farmers** 

Financial

Servey fee Training fee Monitoring fee Total Cost

696,666.66 Bath 19,904.76 \$

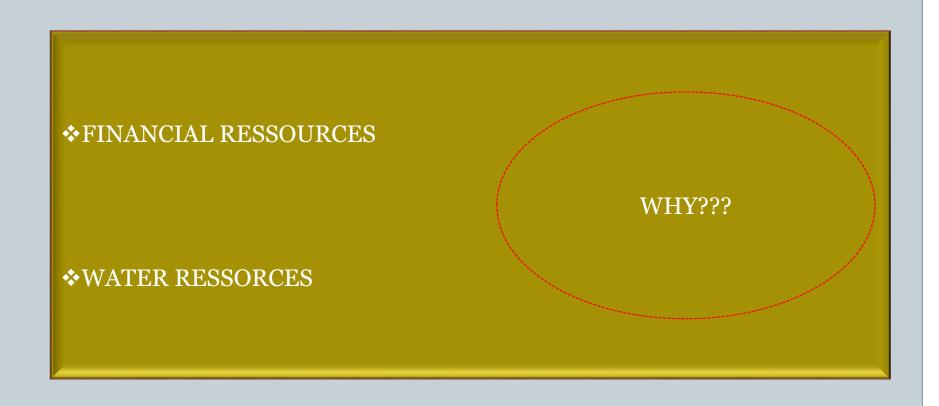

Natural

Land Water

## Total cost repartition

Activities	Cost (Bath)	Cost (US \$)
Servey	48,787	1,393.93
Training	292,121.21	8,346.320
Monitoring	169,696	4,848.48
Half and Final Evaluations	125,454.54	3,584.41
Other	60,606.06	1,731.601

### Potential challenges to implement the DAP

#### CONCLUSION

The lessons learned in the module 2 are very useful to improve the quality of life of our people.

The implementation of the development plan will provide jobs, income and vegetables qualities to Cascade Region.
